Behaviour

Main Concerns
Typically calm, positive and upbeat
Care Needs

Ask for updates on her latest readings or movie watching.
Care Goals
Maintain current mood and behaviour

Other

Other Relevant Information
Lucy has difficulty with standing for long periods, walking and fine motor skills. She tries to be as independent as possible and appreciates the opportunity to try things by herself before assistance is provided. Lucy's daughter calls regularly, takes her to book club and shopping. Her son picks her up for family events (usually every month or so) where she sees other family and her grandchildren.
